# PLOY & HANAN

SALAUYKET WATCHARALUECHA & HANANYA HAGAY ELKESLASI WITH SAHAR, AVIV AND AVIA

## WE'RE GETTING MARRIED

AND WOULD LIKE TO REQUEST THE PLEASURE OF YOUR COMPANY

I love you more than ever, more than time and more than love, I love you more than money and more than the stars above, Love you more than madness, more than waves upon the sea, Love you more than life itself, you mean that much to me.  
Ever since you walked right in, the circle's been complete, I've said goodbye to haunted rooms and faces in the street, To the courtyard of the jester which is hidden from the sun, I love you more than ever and I haven't yet begun.  
You breathed on me and made my life a richer one to live,  
When I was deep in poverty you taught me how to give, dried the tears up from my

dreams and pulled me from the hole, quenched my thirst and satisfied the burning in my soul.  
You gave me babies one, two, three, what is more, you saved my life, eye for eye and tooth for tooth, your love cuts like a knife, My thoughts of you don't ever rest, they'd kill me if I lie, I'd sacrifice the world for you and watch my senses die.  
The tune that is yours and mine to play upon this earth, we'll play it out the best we know, whatever it is worth,  
What's lost is lost, we can't regain what went down in the flood, but happiness to me is you and I love you more than blood.  
It's never been my duty to remake the world

It's never been my duty to remake the world at large, nor is it my intention to sound a battle charge, 'cause I love you more than all of that with a love that doesn't bend, and if there is eternity I'd love you there again.

Oh, can't you see that you were born to stand by my side and I was born to be with you, you were born to be my bride, you're the other half of what I am, you're the missing piece and I love you more than ever with that love that doesn't cease.

'Cause I love you more than ever now that the past is gone.
